

VILLAGE OF WINDSOR RESIDENTS  
CHRISTMAS TREE COLLECTION

The Public Works Department will be collecting Christmas trees for Village residents January 4-8 and January 18-22. All trees are chipped at the curb. To avoid damage to our equipment, we ask that you follow these guidelines:

- Place the trees at the street edge by 7 a.m.
- Remove and discard tree bags.
- Remove all tree stands, ornaments, lights and other metal objects.

Trees that are not properly prepared will not be collected.

You may also dispose of your tree at the Village of Windsor Recycling Center located at 4035 Mueller Rd. The Recycling Center is open the first Saturday of January, February and March between 8 a.m. to 4 p.m.

Because wreaths and garland are held together by wire, these will not be picked up by the crew, nor are they accepted at the recycling center; they should be placed with your garbage.

Trees will be collected, WEATHER PERMITTING. Snow and ice control will take priority.
